**Errata No.:** USS89-01

**Reference:** Page 20, fourth paragraph, number of firefighters killed.

On June 30, 2013, 19 wildland firefighters were killed on the fireground in the Yarnell Hill fire in Arizona after they had deployed fire shelters.<sup>1</sup> According to NFPA records, it is the [deadliest incident for firefighters](#) since September 11, 2001. Appendix C shows that it was the third highest firefighter death toll associated with U.S. wildland fires. The 1910 Devil's Broom wildfire in Silverton, Idaho killed ~~86~~ 78 firefighters and the 1933 Griffith Park blaze in Los Angeles, California, killed 29.
